

# HiTech PLASTICS

MANUFACTURERS OF INDUSTRIAL & MARINE PRODUCTS

## CODE: TT02P

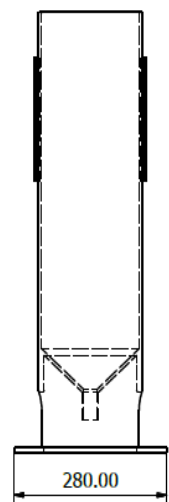

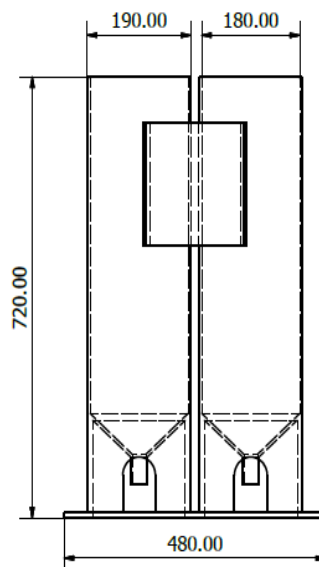

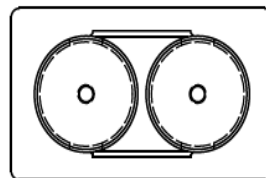

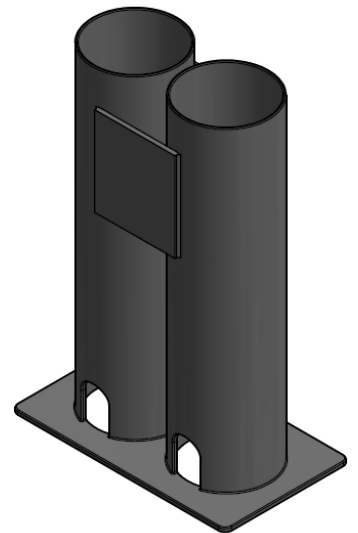

The Hi Tech Plastics very popular Large Tuna Tubes on removable plate is a must for any boat of any size.

The full units can be made in either Black, White or grey colour. Easily bolted to the duckboard and full plumbing access to the inlet of the tubes. A 25mm threaded pipe is moulded into the tubes for ease of plumbing with either a straight or 90 degree standard BSP plumbing fitting. Ideal pump flow rate is 1500 GPH per tube.

Can be either plumbed with the Rule 3700 Washdown/livewell pump for both tubes (ideal) or

One 1100 gph Live well pump per tube.

Can be customised to suit individual requirements.

*Hi Tech Plastics has the expertise to custom design & build products to specific requirements.*
