

HiTech PLASTICS

Hi Tech Plastics Bolster Seat

The Hi Tech Plastics Bolster seat is a rotational moulded seat featuring maximum strength, comfort and durability. NZ made upholstery featuring marine grade high impact foam with 70mm cushioning, heavy duty stitching and marine grade vinyl. It also features UV stabilised vinyl and high quality 316 stainless steel fixings which will stand the test of time.

The perfect Stand and drive or sitting helm seat

Meets the Standards recommended by ABYC.
